Interior Glass Doors and partitions

Custom made to order in clear, etched or tinted blue and green. Also available with the addition of a contemporary or traditional etched design, or individually designed with a company name or logo.

Simple to install into any existing opening or door frame, all of our frameless doors utilise a range of state of the art glass fittings, available in several styles and finishes including polished and satin chrome.

Door types

1. Interior glass doors on hinges and butts with lever latch handles.
2. Swing type hinged glass doors opening 180°.
3. Pivot type hinged glass doors with overhead closers or floor springs.
4. Sliding glass doors with visible high grade stainless steel rail.
5. Sliding glass doors with clamp system (suitable for wardrobes/false ceilings).
6. Pivoting internal or external glass system.

Glass can enhance any room with single doors and window shelves through to partition doors spanning a whole area.

Specification

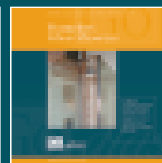

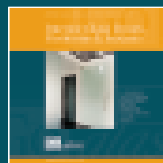

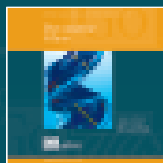

- 8 or 10mm Toughened glass to BS6206 Class A
